

How Well Do I Know My Partner?

1. Below are a few questions about your partner. Please take a moment to read each question and indicate your response by checking Yes, No, or Somewhat.
2. After you have completed the questionnaire, review each question with your partner.
3. Identify three of these areas that are different from your partner and three areas that you have in common.

| | Questions | Yes | No | Somewhat |
|-----|---|-----|----|----------|
| 1. | Do you understand the different natural strengths and weaknesses of your partner's personality type? | | | |
| 2. | Do you know what success means to your partner? | | | |
| 3. | Do you know if your partner tends to make decisions based mostly on feelings, just getting it done, tradition, or thinking it through? | | | |
| 4. | Do you know if your partner is someone who would prefer to keep to himself in most situations or more likely to be outgoing and social. | | | |
| 5. | Do you share similar views with your partner on balancing work and family life? | | | |
| 6. | Do you share similar views with your partner on entertaining people in your home? | | | |
| 7. | Do you share similar views with your partner on how to show love and affection? | | | |
| 8. | Do you share similar views with your partner on parenting? | | | |
| 9. | Do you share similar views with your partner on spending and saving money? | | | |
| 10. | Do you share similar views with your partner on personal time and personal decision making? | | | |
