

SAVE THE DATE!

The National Healthy Marriage Resource Center (NHMRC) will host a webinar entitled, OFA Healthy Marriage Programs: Learning from Evaluations to Date on Friday, July 29, 2011 from 1:00-2:30pm (Eastern Time).

Now in their final year of funding, many Healthy Marriage program grantees are looking to evaluations they have conducted to get an overall picture of how participants have fared in terms of knowledge gained and changes in attitudes and behavior. DHHS' Office of Family Assistance has funded a meta-analysis of Healthy Marriage program evaluations that addresses these critical questions. Speakers at this session will discuss findings from this meta-analysis. In addition, program provider/evaluator teams from two Healthy Marriage programs that have produced soundly designed and executed evaluations will discuss how they conducted their evaluations, challenges encountered and how they were addressed, and lessons learned from the evaluation experience.
